2025 AUTUMN ISSUE

What's on

Haere mai

Welcome to the autumn issue of Highbrook Magazine!

We're not ready to say goodbye to summer, so let's embrace those balmy autumn days.

It was great to see everyone enjoy the Plaza Pong and the Ice Cream Shout that toured Highbrook.

Thank you to Dyson for the state-of-art products which were won by our lucky winners Cara and Brooke!

Fabulous Tuck Shop morning tea shouts were won by Sabrina and Chelsea.

We are excited to bring you The Hits Long Lunch and the Highbrook Fun Run over the next few months. These events promise fun, camaraderie, and a healthy dose of competition.

Make sure to register your team for both events!

We also want to thank you for your patience during the refurbishment of Highbrook Crossing. Your understanding and support are greatly appreciated as we work to enhance our community spaces.

Remember, all our cafés and amenities at Highbrook Crossing are OPEN!

For more details on upcoming events, check out the full magazine here and follow us on Instagram or Facebook.

Enjoy the read and have a wonderful autumn.

See you at Highbrook Crossing!

W.WIGGINS

W.Wiggins Ltd (W.Wiggins), a leading wholesale supplier of performance textiles in New Zealand, is relocating to 6 Waiouru Road, Highbrook. W.Wiggins specialises in a wide range of interior and exterior fabrics, including PVC's, acrylic & poly/cotton canvas, polyester, vinyl's, fabrics, carpets and linings, shade cloth and aluminium extrusions. In addition to textiles, we supply all relevant tools, durables and components making a W.Wiggins a key supplier to many industries.

W.Wiggins first started in 1866 and has built a rich history and reputation. This move represents a significant next step in their long history and commitment to providing superior service and top-quality performance textiles and products to their valued customers.

Find out more at www.wwiggin.co.nz

STATEWIDE BEARINGS

Statewide Bearings NZ, a prominent supplier of bearings and power transmission products, is relocating to 4 Pukekiwiriki Place, Highbrook. Statewide Bearings specialises in providing high-quality bearings, seals, and power transmission products to various industries across New Zealand. We look forward to seeing Statewide Bearings thrive and continue their exceptional service from their new home in Highbrook.

New customers to Highbrook

Revitalising our ecology

The Ōtara Waterways and Lake Trust is a charitable organisation committed to restoring the mauri (life force) of the Ōtara waterways and reconnecting the community with their local creeks and streams. Established in June 2016, the Trust emerged from the Placemaking: Ōtara Waterways and Lake Steering Group, which included over 20 organisations and individuals passionate about cleaning up the Ōtara creek and waterway system which includes Tāmaki River.

Three sections of bank were prepared for planting. The wall of weeds in the distance is next on the list for the coastal restoration project

Spicers team of volunteers being briefed before the first of two plantings. Over 40 staff participated in the planting along their boundary.

Coastal Weed Clearance and Native Planting at Highbrook Parklands

A few months ago, the Trust, in collaboration with Spicers NZ at Highbrook, undertook a significant project at Highbrook Parklands. This initiative focused on coastal weed clearance and native planting, aiming to enhance the ecological health of the area. By removing invasive species and planting native flora, the Trust is working to restore the natural biodiversity and beauty of Highbrook Parklands.

Predator Control at the Crater

In addition to their planting efforts, the Ōtara Waterways and Lake Trust has recently taken over predator control responsibilities at the crater in Highbrook Parklands from Goodman. This initiative is crucial for protecting native wildlife from predators and ensuring the sustainability of the local ecosystem, allowing native species to thrive.

A Vision for the Future

The Trust cannot achieve these goals alone—and it welcomes the involvement of local businesses to help restore and protect our waterways. If your business is interested in supporting this work, please contact the Trust's project manager, Katie Jones, at katie@otarawaterways.org.nz.

Banks along the coastal margin were cleared of thick tree weed cover before planting could start. Tall privet and wattle trees, mature woolly nightshade, gorse bushes, pampas clumps, blackberry vines, bone seed and many other species have taken over the banks and created an environment that is hostile to native animal and plant life.

HIGHBROOK CROSSING

60 Highbrook Drive, Highbrook Crossing

Plug in with 2 Fast Chargers

We've added another Chargenet Fast Charger to Highbrook Crossing.

Between the 2 chargers there are 3x CCS and 1x CHAdeMO cables, so four EVs could charge at one time.

While you're waiting, enjoy one of the seven cafés or rest up in the sun at Highbrook Crossing.

Get your next charge at Highbrook Crossing!

Looking for FREE parking?

You can now enjoy 90 mins free parking at Highbrook Crossing. Plenty of time to enjoy your meal, have meetings or catchup with friends. See the blue outlined parking area on the map below. Partnered with ParkMate.
